

Horseman Hero For Wycombe

WYCOMBE Wanderers can thank three men for getting them through to the final of the A.F.S. Cup competition with a 2-1 victory over Eastbourne at Loakes Park on Wednesday.

While their colleagues were slow and lacked fire, these three, Tony Horseman, Dave Thomas and Charlie Gale, ran everywhere, passing, tackling, covering.

It was probably Horseman's finest game for the club.

Wycombe, fumbling half-heartedly, deserved to be a goal down at half-time, thanks to a faulty back pass by Fisher.

But in the second half, with Thomas playing on the right-wing, they gave a better display. Thomas pushed a short ball inside the back for Horseman to smash home an equaliser and a few minutes later it was Thomas again who popped up to send a shot into the crowded goal-mouth, where Ashby diverted it into the net.

The date and the venue for the final against Oxford City has yet to be arranged.
